Re: Breeding Contract

Dear

Thank you for choosing to breed Jaranero, PFHA's 2001 National & Grand National Champion Fino Stallion, and International Champion in the Ponce, Puerto Rico 2001 and 2002 National and Grand National Bella Forma (Conformation) Stallion. His extraordinary bloodlines and qualities will compliment your breeding program.

Please return the Breeding Contract to the above address after you have completed and signed it, and be sure to include a deposit check and a copy of the mare's registration papers for our records.

Please be advised that the stallion collection, preparation, and shipment fees for artificial insemination will be two hundred and fifty dollars (\$250) per shipment. This is payable at the time of request to the vet, Dr. Jose Davila, by check or credit card. Please give as much notice as possible as you are tracking your mare's cycle, and to make sure semen will be available (some times are not available because of shows) To order semen you must speak with one of the following; Dr. Jose Davila at (352) 239-4326, or Jamie Suarez at (352) 245-7601, or to Barbera Perich at (813) 926-2044.

The balance of the stud fee is due when your mare is confirmed pregnant. Breeder's certificates to register your foal will be sent to you at the end of the year when we send the Stallion Report to PFHA.

If you have any questions, please feel free to call or fax me at the above telephone numbers.

Thank you,
Barbara Perich
